RULES OF PRACTICE

GENERAL DIVISION - CRIMINAL - CIVIL - DOMESTIC RELATIONS
MEIGS COUNTY, OHIO

RULE 2

HOURS OF COURT SESSIONS

Sessions of this Court shall generally begin at 8:30 A.M. and close at 12:00 Noon and shall resume at 1:00 P.M. and close at 4:30 P.M. on Monday through Friday of each week. The Court reserves the right to modify these hours in an effort to expedite the administration of justice. All legal holidays as established by the United States Government or the State of Ohio will be observed.

RULE 3

SECURITY FOR COSTS

3.01 A deposit of Sixty Dollars (\$60.00) is required as security for costs to initiate a civil action except in domestic relations cases. (See Local Rule 24 for domestic relations costs.)

3.02 A deposit of Twenty Dollars (\$20.00) shall be required in garnishment proceedings, and a Twenty-five Dollar (\$25.00) Deposit is required to re-open a civil action.

3.03 If service by publication or foreign service is required by any party, an additional Two Hundred Dollars (\$200.00) shall be deposited with the Clerk of Courts, prior to publication or service, as security for costs.

3.04 If a demand for jury trial is made or a jury trial is required by any party, an additional Three Hundred Dollars (\$300.00) shall be deposited with the Clerk of Courts to guarantee the fees and costs of impaneling a jury ten (10) days prior to the final hearing date.

3.05 The appropriate deposit shall be made at the time of filing the complaint or other pleading with the Clerk of the Common Pleas Court.

Parties instituting cross-claims, counter-claims, or third-party claims in this Court shall be required by the Clerk of Courts to deposit Thirty-five Dollars (\$35.00) as security for costs. If costs are not paid at the termination of litigation, any deposit of costs shall be applied by the Clerk of Courts to the unpaid costs.

3.06 No complaint or motion will be accepted for filing by the Clerk of Courts where the party seeking the filing of said action has failed to pay costs previously incurred, unless said costs are waived due to indigency of the party.

Where any party required by this rule to deposit or secure costs by affidavit shows inability to pay or secure costs and the attorney certifies that he has not received fees, the Clerk of Courts shall receive and file the complaint, counter, cross, or third-party claims without such deposit or security. However, the Clerk of Courts may request the Court to review any such matter offered for filing before receiving it and filing the same without deposit or security. (Use FORM 24.01 F-1)

3.07 The trial judge shall require the payment of costs in each matter terminated to be ordered to the plaintiff, defendant or both in the discretion of the trial court. A certificate of payment of costs from the Clerk of Courts shall be presented by the party requesting a judgment entry prior to the signing and filing of the judgment entry by the trial court. Said certificate of payment or security for costs shall be attached to the judgment entry prior to submission to the trial judge for signature.

RULE 4

RULES GOVERNING THE COURT

The Ohio Rules of Civil and Criminal Procedure and Rules of Superintendence as promulgated by the Supreme Court of Ohio shall apply in all civil and criminal proceedings in the Meigs County Court of Common Pleas unless expressly excepted thereby. The Court is also required to take notice of the provisions of the Code of Judicial Conduct and Code of Professional Responsibility.

RULE 5**PLEADINGS AND MOTIONS - GENERAL FORM**

5.01 Pleadings, motions and applications, including all attachments and exhibits, shall be legibly typewritten or printed on paper approximately 8 1/2 inches by 11 inches, shall be securely bound at the top and unfold. The caption at the top, in addition to stating the name of the Court, County and State, shall state the name and address, if known, of each party. In the case of complaints, with a space for the case number, a blank space of at least three inches at the top of the first page shall be left for endorsement thereon by the Clerk of Courts. Upon the face of the complaint there shall appear a general statement as to the type or kind of action.

5.02 Pleadings filed subsequent to the complaint, including motions and applications, shall state the number of the cause, the name of the first party plaintiff, and the first party defendant on each side, and a general statement as to the type of kind of action. Each initial pleading, motion or application filed by the party shall bear the name, office address and telephone number of the attorney or law firm representing that party if any, or similar information of the party filing the same.

5.03 When a new party plaintiff or defendant is added to a case after the commencement thereof, the captioned of the first pleading in which or after which such new party is added shall contain the name of such new party; together with his, her or its address followed by the specific designation of "new party plaintiff" or "new party defendant" as is applicable.

5.04 A copy of ALL complaints, pleadings, motions or applications filed with the Clerk of Courts or written notice of the filing of the same shall be furnished to the trial court for scheduling for disposition.

RULE 6**PAPERS ON FILE WITH THE CLERK**

The Clerk of Courts is responsible for all pleadings and papers on file. Files shall not be taken from that office without permission of the Court and without receipting for the same. No such pleading or paper shall be removed for the Meigs County Court House. Copies may be made of all pleadings.

RULE 7

SERVICE OF COPIES AND NOTICE

7.01 Upon the filing of a pleading or motion to be served by the Clerk of Courts, the person filing the same shall submit to the Clerk of Courts, along with the original, a true copy thereof for each party-defendant for service according to law. A file-stamped copy shall be provided the Court for its personal use.

7.02 A true copy of each subsequent pleading, motion, or other paper filed in any cause shall be served as provided by law. File-stamped copies of all motions, memorandums and briefs shall also be presented to the Court for its personal file.

7.03 In causes pending in which the parties or their counsel shall deem it necessary to have copies of pleadings, the Clerk of Courts shall be provided with sufficient copies to provide one copy of each filed document to the opposite party or counsel for opposite parties. Copies of all other papers belonging to the files of the Clerk of Courts shall, on demand, be furnished by the Clerk of Courts to attorneys or parties interested upon payment of the usual fee therefore. The Clerk of Courts shall permit any party to an action or his attorney or agent to make a copy of any papers in files of the Court, except depositions and bills of exceptions. Such copies shall be made within the confines of the Meigs County Court House.

7.04 Every pleading, motion, brief, memorandum or argument in writing filed with the Court shall be served upon all opposing counsel or upon all parties not represented by counsel; and proof of such service in writing shall be shown on or attached to such pleading, motion, brief, memorandum or argument in writing. No such paper delivered to the Court without such certificate of service shall be considered by the Judge of this Court, except trial briefs where it has been agreed by counsel that they shall not be exchanged.

7.05 The Clerk of Courts is ordered to comply with Rule 58 of the Ohio Rules of Civil Procedure as amended 07-01-89. Counsel who prepare and submit judgments to the Court shall cause the Clerk to so comply.

7.06 The Clerk of Courts shall not file judgments not in compliance with Rule 58 of the Ohio Rules of Civil Procedure.

RULE 8

RULE DAYS NOT FIXED BY LAW

8.01 In all cases where the time for the filing of pleading or amended pleading is not fixed by law or another rule, the pleading or amended pleading shall be filed on or before the fourteenth (14th) day after the date of the entry requiring or granting leave for the filing of such pleading or amended pleading, unless otherwise specified in the entry and approved by the Judge. The opposite party shall move or plead to the pleading or amended pleading so filed on or before the fourteenth (14th) day after such pleading or amended pleading is filed.

8.02 No pleading or motion shall be amended by interlineation or obliteration except upon express leave of the Court first obtained. Upon the filing of an amended pleading or motion, the original, or any prior amendment thereof, shall not be withdrawn from the files.

8.03 By agreement of counsel, any party may be permitted two leaves to move or plead, provided the total extension of time does not exceed fifty-six (56) days. Such consent shall be evidenced by a consent to plead signed by all counsel and filed with the Clerk of Courts. Neither these forms nor entries shall be submitted to the Clerk of Courts for approval where a consent to plead is proper and is obtained.

8.04 Where an additional extension of time beyond that provided by this rule is needed or where the parties cannot agree upon an extension of time, the party desiring the extension shall file a written motion, supported by an affidavit, stating facts indicating the practical impossibility of pleading within rule and demonstrating good cause for further extensions. The motion and affidavit shall be served upon opposing counsel, and the matter shall be heard at a time to be fixed by the Trial Judge. A motion and affidavit will be required even though consent of counsel is obtained if the extension is for a period of time beyond that permitted by this rule.

RULE 9

COUNSEL OF RECORD AND DUTY UPON WITHDRAWAL

9.01 At the first opportunity, each counsel for a defendant shall see that he/she is properly listed as attorney of record for such defendant, to be entitled to receive notice of proceedings as herein provided. This may be done by having the Clerk of Courts note the attorney's name upon the appearance docket or by some showing on the first pleading that he/she is attorney of record. At the

time the Clerk of Courts is informed to list an appearance in the appearance docket, or is informed of such appearance by such attorney appending his/her name to a pleading, the Clerk of Courts shall list such appearance in the appearance docket, the trial docket, and on the file of the original papers.

9.02 An attorney may withdraw from a case only upon motion, served upon all parties of record, and for good cause shown.

9.03 Legal counsel may not withdraw from a case without leave ordered by the court. After a case has been set for trial, leave to withdraw is not likely to be granted unless the client approves the withdrawal, in writing, and substitute counsel has by then appeared in the case.

9.04 Any attorney who requests a case be set for hearing, but then fails to appear for it, shall be subject to payment of costs incurred, including unnecessary jury and witness fees.

RULE 10

HEARINGS AND SUBMISSION OF MOTIONS

10.01 All motions shall be accompanied by a brief or memorandum stating the grounds thereof and citing the authorities relied upon. The opposing party may file an answer brief by the fourteenth (14th) day after the day on which the motion was filed. The moving party may file a reply brief by the twenty-first (21st) calendar day after the motion was filed. Thereafter, the motion shall be deemed submitted for non-oral hearing. An oral hearing is permitted only upon written request and leave of Court at a time to be set by the Court. This rule shall apply to all motions except in domestic relations matters.

10.02 No motion shall be filed in any case after final pre-trial or within fourteen (14) days of trial without leave of the trial judge first obtained who may establish the times for the filings of briefs and submission of the motion.

10.03 Interrogatories under Civil Rule 33, Request for Production or Inspections of Documents under Civil Rule 34, and Requests for Admissions under Civil Rule 36 shall be served upon other counsel or parties in accordance with such rules and filed with the Court. The party responding shall file with the Court such interrogatories and request, together with his responses and objections. If relief is sought under Civil Rule 26(C) or Civil Rule 37 concerning

any interrogatories, request for production or inspection of documents, and request for admissions, copies of the portion(s) of such documents which are in dispute shall be filed with the Court contemporaneously with any motion filed under Civil Rule 26(C) or Civil Rule 37.

RULE 11

CONTINUANCES

11.01 Motions for continuance shall be granted by order/journal entry only. No case shall be moved on the docket without an order/entry of continuance continuing the case to a date and time certain.

11.02 Legal counsel shall file his or her Motion for Continuance, when necessary, as soon as possible after he or she receives the Court's notice of scheduling.

11.03 The Court may summarily deny any Motion for Continuance for one or more of the following reasons:

a. The Motion for Continuance does not prominently display the consent to continuance by the moving legal counsel's client. In criminal cases, the consent must be by signature when the client's signature can possibly be obtained, but in civil cases an expression of the client's consent by telephone is sufficient.

b. In the case of a schedule conflict, the Motion for Continuance does not clearly express the caption and style of the conflicting case, the date and time of the conflicting hearing, and date when the conflicting court had scheduled its hearing. A requesting attorney may satisfy this requirement by attaching to the Motion for Continuance a copy of the notice of hearing for the conflicting case.

c. In the case of a schedule conflict in which moving legal counsel had received the other Court's notice of hearing before he received this Court's notice of hearing, legal counsel failed to file his Motion for Continuance promptly (that is, within seven (7) days) after he received this Court's notice of hearing, unless good cause is shown for the tardy filing.

d. The Motion for Continuance is filed after the jury has been summoned for the trial of the case. The jury is usually summoned seven (7) days before the trial date.

e. The moving legal counsel had previously filed a Motion for Continuance in the same case. If the moving legal counsel is too busy to attend hearings, conferences and the trial of an action, then counsel may wish to consider arranging for co-counsel.

11.04 The earlier a Motion for Continuance is filed, the more likely it is to be granted.

RULE 12

ENTRIES

12.01 Unless the Court otherwise directs, counsel for the party in whose favor an order, decree, or judgment is rendered, shall within five (5) days thereafter prepare the proper journal entry, and submit it to the counsel for the adverse party, who shall approve or reject the same within three (3) days after the receipt thereof.

Upon failure of the adverse party to act upon the entry in the specified time, its preparer may submit said entry to the Court for approval with a notation as to when it was presented to the adverse party.

If counsel are unable to agree upon the entry, their respective entries shall be submitted to the trial judge who will then direct what entry shall be made.

12.02 The name of the counsel and the trial judge shall be typed or printed upon the entry.

12.03 If counsel fail to present an entry within ten (10) days after the order, decree or judgment is rendered, the trial judge may cause the proper entry to be prepared and filed without submission or notice to counsel or take such other action as may be appropriate under the circumstances.

12.04 Counsel shall promptly submit an entry of dismissal to the trial judge following settlement of any case. If counsel fail to present such an entry to the trial judge within ten (10) days after representation to the Court that a case has been settled, the trial judge may order the case dismissed as for want of prosecution.

RULE 13**TRIAL PRACTICE**

13.01 In civil and criminal cases, each side will be allowed twenty (20) minutes for oral argument, unless argument is waived. This rule is applicable to cases tried to a jury or tried to the court. The time period for oral argument may be shortened or lengthened upon agreement of all parties and upon approval of the Court. The Court may lengthen the period for oral argument in the interest of justice.

13.02 Only one counsel on each side will be permitted to examine a witness in the trial of a case.

RULE 14**ATTORNEY CASE LOAD**

Any attorney whose case load interferes with the effective functioning of the jury trial docket shall obtain co-counsel and proceed to jury trial on the date scheduled.

RULE 15**DISMISSAL FOR LACK OF PROSECUTION**

Should a plaintiff fail to prosecute or fail to comply with the local rules of this Court, the Ohio Rules of Civil and Criminal Procedure, the Rule of Superintendence as promulgated by the Supreme Court of Ohio, or any Court order, the Court upon motion of a defendant or on its own motion may, after notice to plaintiff's counsel, dismiss an action or claim. Cost of the action will be taxed to the plaintiff.

RULE 16**TRANSCRIPTION OF PROCEEDINGS**

16.01 In criminal cases, all hearings and trials will be tape recorded. In civil cases, all jury trials will be tape recorded. Other proceedings will be tape recorded only upon the request of a party or attorney in the case.

16.02 Court personnel will not record or transcribe depositions or any other proceedings conducted by a person other than a trial judge.

16.03 In any cause in which a transcript of the proceedings is requested by a party, such party shall deposit with the court reporter a security for the costs of said transcript in an amount determined by the court reporter after consideration of the nature and amount of work required.

16.04 Court personnel will transcribe recorded proceedings at the rate of Two and 25/100 Dollars (\$2.25) per page for the original transcript and One and 25/100 Dollars (\$1.25) per page for copies. Advance payment may be required.

16.05 Transcription services may be subordinated to other court duties, as the needs of the Court may require. Request for transcription other than for an appellate record will in most cases be subordinated to transcription services to prepare appellate records.

16.06 Legal counsel shall order appellate transcripts in writing in accordance with the Rules of Appellate Procedure. In the order for appellate transcript, legal counsel shall identify which proceedings shall be transcribed, and which portions of proceedings (as, for example, the voir dire portion of a jury trial) need not be transcribed.

RULE 17

CRIMINAL CASES

17.01 The rules of practice for civil cases apply to all criminal procedures except where clearly inapplicable. Where under the provisions of Revised Code Section 2941.33 the prosecuting attorney desires to enter a nolle prosequi in any criminal case, he shall file an application therefore.

17.02 Criminal cases will be assigned for hearing or trial by the trial judge. Such cases shall be assigned as nearly as practicable in consecutive order according to the date of arraignment unless otherwise directed by the trial judge.

17.03 Motions and other written requests in the criminal cases shall be filed within thirty-five days after arraignment or plea unless otherwise allowed by the Court. Motions not filed in such time or not disposed of will be heard and decided at the trial at the discretion of the trial judge. An assignment for trial will not be continued because of the filing of such a motion.

All motions and other requests filed in criminal cases are submitted to the trial judge.

All motions, briefs, and memoranda, pro and contra, shall be filed in triplicate.

17.04 All requests for continuances shall be made by written motion supported by an affidavit showing undue hardship at least one week prior to the trial date. Notice of the filing of such motion shall be served upon opposing counsel who may forthwith file an affidavit in opposition. If the defendant has no counsel and a motion for continuances is filed by the prosecuting attorney, such notice shall be served upon the defendant. The motion shall be submitted upon affidavit or upon oral hearing as the trial judge may direct.

17.05 Notice of bail forfeiture shall be sent by the Clerk to the defendant and to the surety in such forms as may be approved by the Court from time to time. The defendant and surety shall, on or before the date set forth good cause why judgment should not be entered against them. The Clerk shall promptly present such affidavit to the trial judge. No oral hearing shall be had thereon unless requested in writing and granted by the trial judge. After judgment is entered against the defendant and surety, no surety shall be released nor shall any penalty be release or remitted, except upon the filing of a written verified application filed with the Clerk in the case in question, setting forth in detail the reason why a release or reduction should be granted.

17.06 ASSIGNMENT AND COMPENSATION OF COUNSEL FOR
INDIGENT DEFENDANTS

Upon arraignment or subsequent thereto, where it appears to the Court that the defendant is without counsel and desire to have the Court assign Counsel for him, the Court shall require from the defendant receipt of a duly executed affidavit upon the form provided by the Court regarding his general background and financial status.

Appointments of counsel will be made from a list of qualified attorneys who desire and are willing to undertake such defense. Any attorney desiring such appointment shall submit his or her name to the trial judge. Refusal to accept any appointment, except for good cause, may subject an attorney to immediate removal from the appointment list.

Such assigned counsel shall received compensation for professional services and shall be reimbursed for expenses in accordance with the fee scheduled promulgated and approved by the Meigs County Board of County Commissioner.

RULE 18**REFEREES**

The Court may, in an effort to expedite the administration of its civil cases, appoint referees pursuant to Rule 53 of the Ohio Rules of Civil Procedure. The Court will hear such matters as are upon a Referee's docket for recommendations only upon a party's application and showing of good cause.

RULE 19**NOTARY PUBLIC**

The office of the Clerk of the Meigs County Common Pleas Court shall distribute applications and conduct tests for person seeking appointment as notaries public in Meigs County. The initial application is Six Dollars and the renewal fee is Five Dollars. The fees are payable to the Meigs County Common Pleas Court Clerk and are to be distributed to the general fund of Meigs County.

RULE 20**PRE-TRIAL PROCEDURE**

20.01 The procedure herein set forth shall apply to all cases, except to the extent that by their nature they would clearly be inapplicable, and further excepting domestic relations and criminal matters.

20.02 Upon order of the Court, and not later than the date set in said order, a pre-trial statement shall be filed with the Court by all parties. All parties shall provide a copy of said statement to opposing parties' attorneys of record.

20.03 Pre-trial statements shall contain the following information:

Prior to the delivery of the Court file to the chairperson of the arbitration panel, the Judge shall remove from the file and retain all papers or notations referring to demands or offers for settlement. Such file shall be forwarded to the chairperson at the time of the assignment of the case.

21.03 DISCOVERY

The assignment of a case to an arbitration panel shall not limit the right of the parties to continue discovery pursuant to the Rules of Civil Procedure.

21.04 HEARINGS; WHEN AND WHERE HELD; NOTICE

(A) Hearings shall be held at a place scheduled by the Court assignment commissioner. This provision shall not, however, limit the right of the arbitration panel to hold hearings in an appropriate place of their own choosing. A hearing shall be scheduled not more than forty-five (45) days after the appointment of the arbitration panel. At least fifteen (15) days before the hearing, the assignment commissioner shall give written notification to the arbitrators, and the parties or their counsel, of the time and place of the hearing. No hearing shall be fixed for Sundays or legal holidays, except upon agreement of all parties and the arbitrators.

21.14 LEGAL EFFECT OF REPORT AND AWARD: ENTRY OF JUDGMENT

The report and award, unless rejected pursuant to law, shall be final. If no rejection is made within the manner specified by statute, the Court shall enter judgment in accordance therewith. After entry of such judgment, execution process may be issued as in the case of other judgments.

21.15 COMPENSATION OF ARBITRATORS

In odd numbered years the schedule stated A. and B. above shall be reversed between the custodial and non-custodial parent.

Holiday visitations have precedence over regular visitation schedule. The Court realizes that, in some cases, a regular weekend visitation will follow an extended holiday weekend visit and said holiday visits shall not modify the weekend visitation schedule.

III.

The child/children will spend Mother's Day and Father's Day, with the appropriate parent, regardless of whose turn for visitation. Should this provision require the child/children to be with the custodial parent during the non-custodial parent's visitation, the custodial parent

shall pick the child/children up at 9:00 A.M on Mother's Day or Father's Day. Should the reverse occur, the non-custodial parent shall pick the child/children up at 9:00 A.M. on Mother's Day or Father's Day, and return the child/children by 7:00 P.M.

If the child has school the next day, the non-custodial parent's visitation shall be completed when the child is picked up by the custodial parent.

Should the reverse occur the non-custodial parent shall pick the child/children up at either time indicated above depending upon whether the child/children are in school and/or their work schedule.

The parent exercising visitation on the birthday shall advise the other parent, during the weekend visitation preceding the birthday, as to the time they will be picking up the child/children.

V.

The non-custodial parent shall have extended summer visitation, up to four (4) weeks duration, to be taken as specified below, for all children:

1. A four (4) week consecutive period.

The non-custodial parent shall notify the custodial parent, in writing, of the dates on which extended summer visitation will take place no later than May 1. In the event the custodial parent finds it necessary to make plans for vacation, prior to May 1, written notice of the dates for said vacation shall be given to the non-custodial parent as soon as possible. Written notice by the custodial parent shall give the custodial parent precedence on scheduling vacation plans.

Extended summer visitation will be subject to the Holiday visitations set forth above and should be planned accordingly. Summer school necessary for the child to pass into the next grade must be attended. The non-custodial parent shall attempt to coincide his or her vacation time with summer visitation.

The non-custodial parent shall have any additional summer visitation as agreed upon by the parties.

- a) The entire Christmas vacation, including Christmas Day, in alternate years;
- b) Spring vacation every year;
- c) Up to six (6) weeks summer visitation every year;
- d) Additional visitation may occur at such other times and place as the parties may agree.

VII.

Both parents shall be diligent in having the child/children ready and available at the appointed times. The child/children and/or non-visiting parent shall have no duty to wait for the visiting parent for more than thirty (30) minutes. A parent who is going to be late due to work schedules or other emergency should make every effort advise of the delay by telephone. A visiting parent who is late, unless he or she suffers an unavoidable vehicle breakdown or delay enroute and promptly notifies the custodial parent of the delay, shall forfeit visitation for that time period.

The Court has arranged this visitation schedule in a manner that the Custodial parent will, on occasion, be required to pick up the child/children to exercise visitations. Inasmuch as the custodial parent may experience an unavoidable delay, both parents are encouraged to be understanding if, on occasion, the visiting parent is delayed and unavoidably late.

The Non-custodial parent shall give twenty-four hours notice in the event it is necessary to cancel a scheduled visitation. If a child is seriously ill and unable to travel, the custodial parent shall also give twenty-four (24) hour notice.

Visitation DOES NOT include leaving the child/children with NON-FAMILY MEMBERS for extended periods of time during visitation while the visiting parent pursues his or her own pleasure or activities.

The Court feels that it is more than appropriate for the child/children to spend a portion of visitation time with grandparents, aunts, uncles, cousins, married brothers or sisters, etc.

In the event the visiting parent is detained or unable to pick up or return the child/children, for any reason, a mature adult person may be designated to pick up or return the child/children. The Court feels that a spouse, fiancée, fiancé, (assuming the parties have been divorced for more than a year) or a parent, brother or sister of either of the parties would be an appropriate substitute and authorizes such mature adult persons to act on behalf of either parent. Such persons shall be permitted to pick up or return the child/children for visitation.

24.07 It shall be counsel's responsibility to advise parties, in domestic relations proceedings, of the foregoing custody and visitation guidelines. These guidelines may be modified by the Court, upon application, if the Court finds a need for change is demonstrated.

Case No. _____

CLERK OF COURT
MEIGS COUNTY

91 JUL 9 P12:45

FILED

- E N T R Y -

It appearing to the Court that the Meigs County Department of Human Services/Child Support Enforcement Agency has recently filed several motions/entries or other pleadings without the prepayment of security for Court costs, and upon a regular review of filings, the Court has determined that court costs are not being deposited, collected or paid in for

a large number of cases filed or brought by the Child Support Enforcement Agency. Further, the Court finds that the Agency does not collect or attempt to collect court costs in these proceedings upon the conclusion of the case. The result is that costs are not paid to the Clerk for which he is legally obligated to collect, to the detriment of the Meigs County General Fund. This failure to follow Court rule causes gross inefficiency as the Clerk must send letters attempting to collect court costs, the Court has to order individuals into Court to explain why costs have not been paid, the Sheriff has to make service of process, a hearing must be had and additional entries must be prepared and served.

Local Rule 24.01 states that "the deposit shall be made at the time of the filing the complaint or petition with the Clerk of Court." Further, Local Rule 3.06 requires that "no complaint or motion will be accepted for filing by the Clerk of Court where the party seeking the filing has failed to pay costs previously incurred, unless said costs are waived due to indigency of the party."

The Department of Human Services Agency is Ordered to tender the appropriate deposit, as required by Local Rules of Court at the time of filing of any pleading. The Clerk of Court is Ordered to enforce the Local Rules and not permit the filing of any motion, complaint or pleading by the Department of Human Services without the payment of costs or the appropriate deposit for costs.

Additionally, Local Rule 3.07 requires that a Certificate of payment of costs from the Clerk of Court shall be presented by the party requesting a judgment entry prior to signing and filing of the judgment entry by the trial court. Said certificate of payment or security for costs shall be attached to the judgment entry prior to submission to the trial Judge for signature." The Department of Human Services has not been in compliance with said Rule, which has caused the Clerk of Court unnecessary work and expense.

The Department of Human Services has not paid security costs nor collected same, therefore it is Ordered that the Department of Human Services comply with all rules of Court. Any entries presented to the Court by the Meigs County Department of Human Services or its agents for

signature shall have attached a certificate of payment or security of costs. The Clerk is Ordered to follow Local Rule 3.07 and not permit the filing of any judgment entry which does not have attached to it a certificate of payment or security for costs.

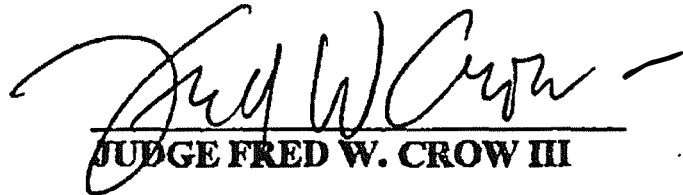

As a result of the Meigs County Department of Human Services failure to comply with Court Rules, a large number of cases have unpaid court costs. This Court has recently undertaken the task of collecting same for the Meigs County Clerk of Court. This function properly belongs to the Meigs County Prosecuting Attorney. The Meigs County Prosecuting Attorney is therefore Ordered to take such measures as are necessary to collect unpaid costs herein ordered, pursuant to the statutory duties of his office. As to unpaid costs as of this date, the Clerk is Ordered to review the Court files and determine what cases were instituted by the Child Support Enforcement Agency in which court costs have not been paid and are due and owing. Upon such determination, the Clerk shall prepare and forward to the Department of Human Services billings for same, to be paid by the Agency within seven (7) days of receipt. Any billings for costs previously submitted to the Agency, and not paid as of this date, shall be paid within seven (7) days of the journalization of this Entry.

The Child Support Enforcement Agency files most of the cases wherein costs are incurred. The Meigs County Auditor's Office records indicate that the Meigs County Department of Human Services, as of December 31, 1993 had a balance of \$239,262.00 in its Child Support Enforcement Account. In addition, the records indicate that on April 4, 1994, the Meigs County Department of Human Services transferred \$104,768.14 from the Child Support Enforcement Account to The Public Assistance Account. Therefore, it appears that the Meigs County Department of Human Services has had adequate funds to pay court costs incurred.

The fact that the Meigs County Department of Human services has not and does not follow Court Rules and pay either security deposits or costs, results in extra work for the Court, the Clerk's Office and the Sheriff's Department ; in addition, Meigs county loses money.

Therefore, the Sheriff is Ordered to forthwith personally serve a copies of this Entry and Order upon the Director of the Meigs County Department of Human Services, or in his absence the Acting Director, and the head of the Child Support Enforcement Agency, Dan Toban, and make due report thereon.

SO ORDERED.

Child Support Enforcement Manual Transmittal Letter 97

TO: All Child Support Enforcement Manual Holders

FROM: Arnold R. Tompkins, Director *AT*

SUBJECT: REVISED UNEMPLOYMENT WITHHOLDING ORDERS

As a result of joint efforts and discussion between the Ohio Department of Human Services (ODHS), the Ohio Bureau of Employment Services (OBES) and the Ohio County Child Support Enforcement Agencies Director's Association, the current interagency agreement between ODHS and OBES has been amended to allow CSEAs to send an order for withholding directly to OBES.

If a CSEA establishes orders utilizing the ODHS 4053, a certified copy of the ODHS 4053 can be sent directly to OBES. OBES will only accept certified copies of the ODHS 4053. CSEAs still have the responsibility to ensure that the limitations of the Consumer Credit Protection Act are not exceeded and only IV-D cases are eligible. New CSEM section 3203.1 has been developed to establish this procedure.

A hard copy of the ODHS 4053 is included with this transmittal. This form can either be reproduced, or recreated verbatim to fit your personal needs. A diskette copy of this document using IBM Word Perfect can also be made available by contacting the Bureau of Child Support Policy at (614) 752-6563.

A Safeguarding of Information Certification, as described in CSEM section 2101, has been developed and is also included with this transmittal.

Questions regarding these new procedures should be directed to Rose Riley, Chief, Bureau of Direct Services at (614) 752-6567.

Remove and file as obsolete page headed 2100, dated June 1, 1994, and replace with revised page.

Remove from the Outline of Contents to Chapter 2000 page headed Appendix 2-1 dated July 15, 1992, and replace with revised page.

2100. Locating The Absent Parent

Location is defined as finding the physical whereabouts of the absent parent, the absent parent's employer and/or other source of income and assets necessary to take the next appropriate action. All location actions outlined in the following CSEM sections apply to interstate as well as intrastate cases.

A non-ADC recipient who has not yet received an order for child support may request absent-parent-location-only service. Location-only service shall be limited to attempts to secure a current address of the absent parent. The non-ADC recipient shall be provided all services at no cost beyond the application fee, if this is not absorbed by the CSEA.

The CSEA must access all appropriate location sources, including FPLS, within 75 days of determining that location is necessary. The Ohio Parent Locator Service (OPLS) can provide CSEAs with information on where or when a referral was sent and if a response was received.

CSEAs can obtain this information by entering location requests through their CRIS-E terminals. The only exceptions are requests for out-of-state locates which CSEAs may forward to OPLS via the ODHS 7543 "Locate Data Sheet" (Appendix 3-26). Local, state, and federal location resources can be explored simultaneously. In accordance with CSEM Section 1052, all information obtained must be noted in the narrative of the IV-D case record.

3203.1 CSEA Responsibility when Sending an Order for the Withholding of Unemployment Compensation Directly to OBES.

A CSEA may elect to establish an order for the withholding of Unemployment Compensation by utilizing the ODHS 4053, "Entry Authorizing and Directing Withholding From Unemployment Benefits (Title IV-D Case)(Appendix 3-42).

If a CSEA establishes withholding orders utilizing the ODHS 4053, a certified copy of the ODHS 4053 can be sent directly to OBES. The CSEA still has the responsibility to ensure that the limitations of the Consumer Credit Protection Act are not exceeded.

3204. Changing The Amount Of Withholding of Unemployment Compensation

If, after submitting the case to the Office of Child Support Enforcement, the amount of the withholding is to be changed, the CSEA shall obtain a new court order. If there is no court order but a voluntary agreement (due to being established before April 11, 1991), the CSEA shall pursue establishing a court order or an agreed entry. This is to be forwarded within five working days to the Office for forwarding to OBES.

(OAC Cite: Rule 5101: 1-30-81)

3205. Reactivated Claims for Unemployment Compensation

There may be situations in which the unemployment compensation paid to a claimant will be suspended for a period of time. The previous voluntary agreement (in effect before April 11, 1991), agreed entry, or court order for the withholding remains in effect and the claim is reactivated at a later date if the amount of the withholding has not changed and if there has not been a request for a modification by either the obligee or obligor. The CSEA will not need to submit a new request for the withholding if the withholding amount remains the same.

SEQUESTERED JURORS :

RESOLUTION
93 MAY 17 P2:24

Whereas the sequestration of jurors outside the courthouse is required in certain cases, and

WILLIAM E. SPENCER
CLERK OF COURTS
MEIGS COUNTY

Whereas sequestration interrupts the normal lifestyle of jurors and imposes unaccustomed restrictions on their usual daily activities, and

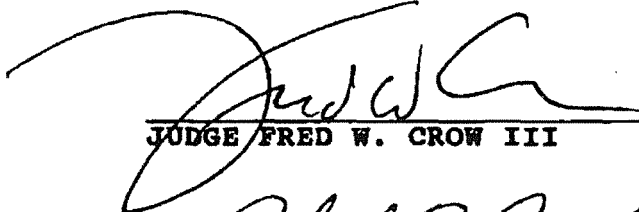

Whereas the Court must be ready to provide for all personal needs of sequestered jurors, including but not limited to housing, meals, transportation, medical, and religious requirements, and

Whereas some sequestered jurors, from time to time, request an alcoholic beverage during the period of sequestration, and

Whereas the State Auditor in the attached letter issued on September 30, 1985, recommended that the Judges of this Court adopt a formal resolution on the subject of expending public funds for the payment of alcoholic beverages ordered by a sequestered juror,

Now, therefore, it is resolved that each Judge of this Court shall exercise normal prudence according to the nature of the case, the characteristics of the sequestered jurors, and the statutes governing the expenditure of public funds, in determining whether it is appropriate for the court to pay for alcoholic beverages ordered by sequestered jurors during a period of sequestration outside the Courthouse and that each Judge of this Court shall direct, in his discretion, those Court Officials placed in charge of juror sequestration to act in accordance with such determination.

Pomeroy, Ohio 94 JUN 29 P3: 44

IN THE MATTER OF :
 : **JUDGE FRED W. CROW III**
LOCAL RULES PROVIDING :
FOR JURY USE AND : **GENERAL ORDER # 9**
MANAGEMENT PLAN

The following is pursuant to the Rule of the Supreme Court of Ohio requiring a plan utilizing the Ohio Trial Court Jury Use and Management Standards as a guideline.

I.) Opportunity for Service.

A.) The opportunity for jury service shall not be denied or abridged on the basis of race, national origin, gender, age, religious belief, income, occupation, disability or any other factor that discriminates against a cognizable group in the jurisdiction.

B.) Jury service is a duty of all qualified citizens of Meigs County.

II.) Jury Source List

A.) Pursuant to Court Order, the jury source list shall be obtained from the Board of Elections' list of registered voters. The Court shall designate a key number based on the total number of registered voters and the number of jurors the Court anticipates will be required for a year of service. The Jury Commissioners shall then receive a computer printout from the Board of Elections (e.g., every 14th name).

B.) The Jury source list shall be representative and should be as inclusive of the adult population in the jurisdiction as is feasible.

C.) The Court shall annually review the jury source list for its representativeness and inclusiveness of the adult population as is feasible.

D.) Should the Court determine that improvement is needed in the representativeness or inclusiveness of the jury source list, appropriate corrective action shall be taken.

III.) Random Selection Procedures

A.) The jury source list from the Board of Elections shall be printed out on address labels which shall be cut into individual names and addresses and placed into a jury wheel or alternatively, and at the Court's discretion, a computerized random drawing of names may be made from the jury source list, under the direction of the Jury Commission, the same to be conducted publicly and upon proper notice, and as provided by law.

B.) Departures from the principle of random selection are appropriate only to comply with lawful exceptions.

IV.) Eligibility for Jury Service

A.) All persons shall be eligible for jury service except those who:

- 1.) Are less than eighteen (18) years of age;**
- 2.) Are not citizens of the United States;**
- 3.) Are not residents of the jurisdiction in which they have been summoned to serve;**
- 4.) Are not able to communicate in the English language; or**
- 5.) Have been convicted of a felony criminal offense and have not had their civil rights restored.**

V.) Term of and Availability for Jury Service

A.) The time that persons are called upon to perform jury service and to be available should be the shortest period consistent with the needs of justice.

B.) Jurors may be summoned at any time during a particular four-month term of Court; Jurors in the January Term may be called in January, February, March and April; Jurors in the May Term may be called in May, June, July and August; Jurors in the September Term may be called in September, October, November and December. Jurors are not required to report until served a summons.

VI.) Exemption, Excuse and Deferral

A.) No automatic excuses or exemptions, with the exception of statutory exemptions, from jury service shall be permitted.

B.) Prospective jurors are excused for the following reasons: over the age of seventy (70) and request to be excused; demonstrated financial hardship; personal or family illness documented by physician; firefighter; or lawyer. Prospective jurors are rescheduled for the following reasons: vacation; employment hardship; or student.

C.) Deferrals for jury service for reasonably short periods of time may be permitted by a Judge or a specifically authorized Court official.

D.) Requests for excuses and deferrals and their depositions shall be written or otherwise made or recorded. See attached Exhibit A.

VII. Voir Dire

A.) Voir dire examination shall be limited to matters relevant to determining whether to remove a juror for cause and to determine the juror's fairness and impartiality.

B.) To reduce the time required for voir dire, basic background information regarding panel members should be made available to Counsel, in writing, for each Party on the day on which jury selection is to begin. See attached Exhibit B (Juror Questionnaire).

C.) The trial Judge shall conduct a preliminary voir dire examination. Counsel shall then be permitted to question panel members for a reasonable period of time.

D.) The Judge shall ensure that the privacy of prospective jurors is reasonably protected, and the questioning is consistent with the purpose of the voir dire process.

E.) In criminal cases, the voir dire process shall be held on the record. In civil cases, the voir dire process shall be held on the record unless waived by the parties.

F.) Rules on Voir Dire

- 1.) The case may not be argued in any way while questioning the jurors.
- 2.) Counsel may not attempt to indoctrinate the jurors.
- 3.) Jurors may not be questioned concerning anticipated instructions or theories of law. This does not prevent general questions concerning the validity and philosophy of reasonable doubt or the presumption of innocence.
- 4.) Jurors may not be asked what kind of verdict they might return under any circumstances.
- 5.) Questions are to be asked collectively of the entire panel, whenever possible.

VIII.) Removal from Jury Panel for Cause

A.) If the Judge determines during the voir dire process that any individual is unable or unwilling to hear the particular case at bar fairly and impartially, that individual shall be removed from the panel. Such a determination may be made on motion of Counsel or by the Judge.

- 1.) Determining whether a person meets the criteria for eligibility;**
- 2.) Providing a basic background information ordinarily sought for voir dire examination; and**
- 3.) Efficiently managing the jury system.**

D.) Policies and procedures shall be established for monitoring failures to respond to a summons and for enforcing a summons to report for jury service.

E.) See attached example notification letter (Exhibit C) which may be delivered to prospective jurors by ordinary mail. Jurors who fail to report for service may be required to appear and inform the Court why they did not appear. Sanctions may be imposed as appropriate to the circumstances.

XII.) Monitoring the Jury System

The Court shall collect and analyze information regarding the performance of the jury system annually to evaluate:

- A.) The representativeness and inclusiveness of the jury source list;**

XIII.) Juror Use

A.) The Court shall employ the services of prospective jurors so as to achieve optimum use with a minimum inconvenience to jurors.

SEXUAL HARASSMENT

V148
p 160

A. Policy Statement

It is against the policy of the Meigs County Clerk of Court, the Meigs County Common Pleas Court, and the Meigs County Common Pleas Court Probate and Juvenile Division, and is illegal under state and federal law for any employee, male or female, to sexually harass another employee. This employer is committed to providing a workplace free from this unlawful conduct. It is a violation of this policy for an employee to engage in sexual harassment.

B. Definitions

Sexual harassment is a form of sexual discrimination and consists of unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

1. Submission to that conduct is made either explicitly or implicitly a term or condition of employment; or
2. Submission or rejection of such conduct by an individual is used as the basis for employment decisions; or
3. The conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment

Sexually harassing behavior, whether committed by supervisors or non-supervisory personnel, is prohibited. This behavior includes, but is not limited to:

1. Repeated unwelcome or offensive sexual flirtations, advances or propositions.

2. Verbal abuse of a sexual nature.
3. Graphic or degrading verbal comments about an individual or his/her appearance.
4. The display or distribution of sexually suggestive objects or pictures.
5. Unwelcome or offensive verbal or written communication of sexually suggestive material including "jokes".
6. Any unwelcome or offensive physical contact.

C. Reporting

Any employee who feels that they have been sexually harassed should report the complaint to their immediate supervisor, or to **Marlene Harrison, Clerk of Court, or her successor, or The Meigs County Common Pleas Judge, Fred W. Crow III, or his successor, or the Meigs County Probate - Juvenile Judge, L. Scott Powell, or his successor.** In addition, if any employee feels that they have been harassed by a member of the public, a service provider or a public official during the course of their employment, the employee should report the complaint to their immediate supervisor or to the **Meigs County Prosecuting Attorney, Pat Story, or his successor.** There will be no reprisals against any employee for making a report as provided in this section..

D. Investigation

County Government will conduct a prompt and thorough investigation of all complaints of sexual harassment. The county will make every effort to keep the complaint confidential, except as required by law and as may be reasonably necessary to successfully complete the investigation or complaint or any person involved in the investigation. Failure by any employee to cooperate with the investigation of a complaint will be a violation of this policy.

E. Disciplinary Action

If the allegation of sexual harassment is found to be credible, appropriate disciplinary action will be taken. Sexual Harassment on the part of a county employee will be treated as a disciplinary infraction, with penalties up to and including termination for a first offense, in accordance with this discipline policy..

F. Responsibilities

Every supervisor is responsible for promptly responding to or reporting any complaint or suspected act of sexual harassment. Supervisors should report to their immediate supervisor, or **the Meigs County Clerk of Court, Marlene Harrison, or her successor**

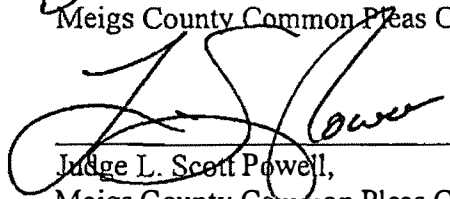

or to the Meigs County Common Pleas Court, Judge Fred W. Crow III, or his successor, or the Meigs County Common Pleas Court Juvenile - Probate Division, Judge L. Scott Powell, or his successor, or The Meigs County Prosecuting Attorney, Pat Story, or his successor. Failure of a supervisor to report or adequately address such harassment will result in disciplinary action in accordance with this discipline policy.

It is the responsibility of every employee, should they observe or experience objectionable or unwelcome behavior of the type described in this policy, to report that behavior as provided in this policy. There will be no reprisals against any employee for making such a report.

**HOW TO FILE AN ANSWER TO A COMPLAINT
WITHOUT AN ATTORNEY**

This information explains how to answer the complaint filed against you so that you will have an opportunity to tell your side in Court.

You may have legal claims of your own against the person who filed the complaint against you, and you may wish to include these in your Answer. Such claims are called "counterclaims." Writing down your counterclaims is probably something that you would need the help of an attorney to do properly. If you have any claims against the person who sued you, you should contact an attorney immediately. If you are low income, legal services may be able to help you. Call 1-866-LAW-OHIO (1-866-529-6446) or go to www.ohiolegalservices.org. If you are low income but do not qualify for your local legal aid program, the Equal Justice Foundation at 1-800-898-0545 may be able to help you, or you can call your local bar association for a referral.

FAILURE TO ANSWER IS ADMITTING THE COMPLAINT

If you look at the **SUMMONS**, which often is the first page of the papers that you received from the Court, you will notice that it demands that you Answer the complaint within **28 days after you are served with the Summons. YOU MUST SERVE YOUR ANSWER WITHIN 28 DAYS.** Serving your answer means that after you have prepared your answer, you mail a copy of it to the person who sued you. You must also file the original with the court.

The page immediately after the Summons should be the first page of the complaint against you. Read the complaint carefully. Failure to answer the complaint in writing within 28 days after you receive it is an admission that what the complaint says is true and the other person should win whatever they have asked for from the Court. If you do not answer the complaint in writing the law says you therefore agree that what the complaint says is true and that the other side should win. This means that the other side may be able to make you pay money to them or take your house in foreclosure. If this is the case, there is no reason for the Court to have a trial, other than possibly a short hearing to determine the amount of the money you owe.

If there is no trial, then you will not get your day in Court. Also, if you do not serve and file an Answer to the complaint, you may not receive any further notice from the Court about what is happening in your case until the person who has sued you tries to collect his judgment by selling your house at a sheriff's auction, garnishing your wages, seeking to attach your personal property, or all of these options.

2007 DEC 12 PM 12:56
FILED
CLERK OF COURTS
MERCER COUNTY, OHIO

HOW TO PREPARE YOUR WRITTEN ANSWER

Preparing a written Answer to the complaint is easy. It can be nothing more than a letter to the Judge. Certain information must be included in your letter so that your Answer will be properly recorded when it is received. This information can be found on the Summons and from the top part of the complaint. You must include:

1. Name of the Court
2. Name of person who sued you (Plaintiff)
3. Your name (Defendant)
4. Case Number and Name of Judge

You can write the information the same way as it appears on the complaint.

You should address the Judge as "Your Honor." Then tell the Judge you are writing about a lawsuit filed against you in the Judge's court. You should then admit whatever it is in the complaint that is true, and deny whatever is not true. If the complaint filed against you has numbered paragraphs, as most of them do, then go through the complaint paragraph by paragraph, admitting what is true and denying what is not true.

Whenever you deny something in the complaint, you should also state briefly your reason why you are denying it or any part of it. For example, if the complaint says that you owe money but you know that you already paid the money, then you should deny that you owe the money and say that you already paid it. If you are not sure whether something is true, you should write that you do not know. Do not guess, and do not assume that the person suing you must be right. It is better to say you do not know whether something is true than to agree with something you are not sure about.

At the end of the letter, ask the Judge to dismiss the complaint. Then print your name, address, and phone number legibly. In the lower left-hand corner of the letter write or type "cc:" and write the name of the attorney or person who filed the complaint against you.

If possible, you should type your answer. It is important for the Judge and the plaintiff to be able to read what you have written.

HOW TO SERVE AND TO FILE YOUR ANSWER

After you have prepared your Answer, you need to immediately make 2 photocopies of it. (Handwritten copies will not do.) MAIL one of these photocopies to the attorney or person who filed the complaint against you. Mailing is serving your answer. Although you do not have to mail the answer by certified mail, you may want to ask the post office to provide you with a Certificate of Mailing, which proves you mailed the answer on the date it was mailed, to the person to whom it was addressed.

Within three days of mailing one copy to the attorney (or the other person who filed the complaint against you), take the original of your Answer and your remaining photocopy to the clerk of the court that served the papers on you. Be sure that you go to the right court. Take the complaint with you to the clerk's office and show it to the clerk to confirm that you are in the right office. Then give the clerk both your original Answer and your photocopy. Ask the clerk to file-stamp the original and the copy and to give you your copy back.

The clerk will then keep the original, which will go into the Judge's file so that the Judge can read it. The file-stamped photocopy will be returned to you. Keep your file-stamped copy in a safe place because it is your proof that you filed your Answer in the place and on the date indicated in the file stamp. It is like a receipt.

After you are done with all of this, the Judge will have your Answer, the person who filed the complaint against you will have a copy of your Answer, and you will have a copy of your Answer with proof that you have filed the original with the Court. Everyone will know where you stand and that you are fighting the complaint. The Court will then keep you updated on

what happens in your case, and the person who filed the complaint against you will know where to send any additional papers that he or she may file.

You must keep the Court and the other side up-to-date on what your current address is and what your telephone number is, if you have a phone number. This is so that the Court and the other side can continue to communicate with you. If you move, they will not look for you. If any of the information you gave the Court in your answer changes, send another letter with the new information to the Clerk with the case number and parties' names; make sure you include what was your address.

Once you have filed your answer, you may get other papers from the person who is suing you and notices from the court. If you do not understand these papers, or what will happen in court, you may want to contact an attorney as previously suggested. If you are not able to get legal help, the reference librarian at your local public library may be able to help you find useful legal self help information.

GOOD LUCK!

THE MEIGS COUNTY	:	
PROSECUTING ATTORNEY'S	:	JUDGE I. CARSON CROW
DIVERSION PROGRAM	:	

WRITTEN STANDARDS OF THE MEIGS COUNTY PROSECUTING ATTORNEY'S
PRE-TRIAL DIVERSION PROGRAM
PURSUANT TO ORC 2935.36

The Meigs County Prosecuting Attorney does hereby establish a pre-trial diversion program for adults who are accused of committing criminal offenses and whom the prosecuting attorney believes probably will not offend again.

The Prosecuting Attorney does hereby require as a condition of an accused's participation in the program, the accused to pay a reasonable fee for supervision services, that include, but are not limited to, monitoring and drug testing. As of July 29, 2013, said fee shall be \$250.00 per year.

Prior to granting entrance into the Diversion Program, the Prosecuting Attorney's Office shall seek input from the victim and the law enforcement officers involved. However, if the Prosecuting Attorney receives no response or is unable to contact the victim after diligent efforts, the Prosecuting Attorney may allow the defendant to enter into the Diversion Program, if consistent with other cases. Ultimately, the Prosecuting Attorney can decide, over objections, to recommend at sentencing that the Diversion Program is acceptable. The Court then can decide to grant or deny the request.

.....The length of the program shall be two (2) years, unless the Prosecuting Attorney permits an early release of the Defendant.

The following will not be permitted to qualify for the Diversion Program:

1. Repeat offenders or dangerous offenders;
2. Persons accused of an offense of violence, of a violation of section 2903.06, 2907.04, 2907.05, 2907.21, 2907.22, 2907.31, 2907.32, 2907.34, 2911.31, 2919.12, 2919.13, 2919.22, 2921.02, 2921.11, 2921.12, 2921.32, or, 2923.20 of the Revised Code, or of a violation of section 2905.01, 2905.02, or 2919.23 of the Revised Code that had it occurred prior to July, 1, 1996, would have been a violation of section 2905.04 of the Revised Code as it existed prior to that date, with the exception that the prosecuting attorney may permit persons accused of any such offense to enter a pre-trial diversion program, if the prosecuting attorney finds any of the following:
 - a. The accused did not cause, threaten, or intend serious physical harm to any person.
 - b. The offense was the result of circumstances not likely to recur
 - c. The accused has no history of prior delinquency or criminal activity
 - d. The accused has led a law-abiding life for a substantial time before commission of the alleged offense
 - e. Substantial grounds tending to excuse or justify the alleged offense
3. Persons accused of a violation of Chapter 2925 or 3719, of the Revised Code
4. Persons accused of a violation of section 4511.19 of the Revised Code or a violation of any substantially similar municipal ordinance
5.
 - a. Persons who are accused of an offense while operating a commercial motor vehicle or persons who hold a commercial driver's license and are accused of any offense, if conviction of the offense would disqualify the person from operating a commercial motor vehicle under Chapter 4506 of the revised code or would subject the person to any other sanction under that chapter.
 - b. as used in division (A)(5) of this section, "commercial driver's license" and "commercial motor vehicle" have the same meanings as in section 4506.01 of the Revised Code

..... An accused who enters a diversion program shall do all of the following:

1. Waive in writing and contingent upon the accused's successful completion of the program, the accused's right to a speedy trial, the preliminary hearing, the time period within which the grand jury may consider an indictment against the accused, and arraignment, unless the hearing, indictment, or arraignment has already occurred;

2. Agree, in writing, to the tolling while in the program of all periods of limitation established by statutes or rules of court, that are applicable to the offense with which the accused is charged and to the conditions of the diversion program established by the prosecuting attorney.
3. Agree, in writing, to pay any reasonable fee for supervision services established by the prosecuting attorney.

If the accused satisfactorily completes the diversion program, the prosecuting attorney shall recommend to the trial court that the charges against the accused be dismissed, and the court, upon the recommendation of the prosecuting attorney, shall dismiss the charges. If the accused chooses not to enter the prosecution, or if the accused violates the conditions of the agreement pursuant to which the accused has been released, the accused may be brought to trial upon the charges in the manner provided by law, and the waiver executed pursuant to division (B)(1) of this section shall be void on the date the accused is removed from the program for the violation.

Pursuant to the Meigs County Diversion Program, an accused must tender a Guilty Plea to the Court prior to the accused's entrance into the Diversion Program. The Prosecuting Attorney shall request that the Court hold the Plea in Abeyance pending the Defendant's successful completion of the Diversion Program. If the Prosecuting Attorney's Office determines that a violation of the program occurs that is of such an extent to require termination from the program, the Prosecuting Attorney's Office shall file a Motion to Terminate with the Court. After appropriate notification and hearing, if the court finds that defendant should be unsuccessfully terminated from the Diversion Program, the Prosecuting Attorney will request that the court enter a finding of Guilty for the Charges previously held in abeyance, order a pre-sentence investigation, and subsequently sentence in accordance with the law.

An accused who enters into the Diversion Program may be subject to Community Service and Random Drug Testing at the Diversion Officer's Request. The accused shall pay his or her Diversion fees, court costs, and restitution pursuant to a schedule set forth by the Diversion Officer. Any objection to any conditions set forth by the Diversion Officer may be brought to the court's attention for Review.

All additional definitions contained in 2935.36 shall apply to the Meigs County Prosecuting Attorney's Diversion Program.

LOCAL RULES OF COURT

:

GENERAL ORDER: _____

In accordance with Article IV, Section V (B) of the Ohio Constitution, Civ. R. 83 and Crim. R. 57, and pursuant to R.C. 2953.25, there is an immediate need for the creation of a local rule for petitions for a Certificate of Qualification for Employment for persons subject to collateral sanction.

It is **ORDERED** that Local Rule 2.50 be created as demonstrated by the attached Local Rule 2.50, effective June 5, 2017. The Clerk of Courts is hereby Ordered to distribute a copy of this order and the newly established local rule to all members of the Meigs County Bar Association.

SO ORDERED.

Judge I. Carson Crow

Civil Rules of Practice and Procedure

Rule 2.50

Certificate of Qualification for Employment

1. The purpose of this local rule is to define the specific local court requirements and processes that support a Petitioner's application for a Certificate of Qualification for Employment (CQE) as set forth in Revised Code 2925.25 and related rules established by the Department of Rehabilitation and Corrections (DRC).
2. In order to request a CQE, the Petitioner shall file the Petition for Certificate of Qualification for Employment (R.C. 2953.25) [Form A] with the Clerk of Courts for the Common Pleas Court where the Petitioner resides, after completing the petition process online through the DRC (www.drccqe.com). For security purposes, the Clerk of Courts and the Court do not avail computers to the public for internet access. The Petitioner shall include the DRC Electronic Petition Number on the Petition for Certificate of Qualification for Employment, and shall attach a copy of the fully completed Electronic Petition.
3. All Petitions shall include electronic access to the Department of Rehabilitation and Corrections.CQE Summary (CQE Summary).
4. Before any action is required to be taken on the Petition, the Petitioner must pay a deposit in the amount of two hundred dollars (\$200.00). Payment of this deposit may be made in any form otherwise accepted in the Court of filing. A Judge may waive some or all of the deposit otherwise required by this Rule. The Petitioner may submit an Affidavit of Indigency [Form B] and other relevant information for the Court's consideration if requesting a reduction in the filing fees.
5. All social security numbers and other information that must be excluded from public record shall be redacted in accordance with the rules of this court and the Rules of

Superintendence. Records or information received by a court to assist the court with making its decision under R.C. 2953.25, including information included on a petition, shall retain their character as public or non-public records, as otherwise provided in law.

6. Upon receipt of a Notice of Petition and the required deposit, the Clerk of Courts shall assign the Petition a miscellaneous civil case number.
7. Unless the Judge deems it unnecessary because sufficient information is known to justify denial of the Petition, after receiving a CQE Petition, the Court shall order the Probation Department to obtain a criminal history for the Petitioner, either through the investigation ordered in support of the Petition (see Order for Investigation [Form F]) or otherwise.
8. The Court shall attempt to determine all other courts in the state in which the Petitioner has been convicted of or plead guilty to an offense through review of the Petitioner's criminal history or other investigation. The Court's Probation Department shall submit a list of these courts to the Clerk of Court for purposes of notification and request for information.
9. The Clerk of Courts shall send a Notice to Court Regarding Petition for Certificate of Qualification for Employment [Form C] and Submission of Information Regarding Petition for Certificate of Qualification for Employment (Form E) to each court so identified. Such Notice shall be sent via ordinary US mail.
10. The Clerk of Courts shall also send a Notice to Prosecutor Regarding Petition for Certificate of Qualification for Employment [Form D] and Submission of Information

Regarding Petition for Certificate of Qualification for Employment [Form E] to the Meigs County Prosecutor.

11. The Judge or Magistrate shall review the Petition, criminal history, all filings submitted by the prosecutor or victim in accordance with the rules adopted by the division of parole and community services, and all other relevant evidence.
12. The Judge or Magistrate may order any report, investigation or disclosure by the Petitioner that it believes is necessary to reach a decision (see Order for Investigation [Form F] and Order for Additional Information [Form G]). All documents and information assembled by the Court in its consideration of the Petition for CQE shall be deemed confidential and not a public record. Such documents and information shall be treated with the same level of confidentiality as a pre-sentence report and shall be kept sealed and transmitted in a sealed condition to the Court of Appeals in the event of appellate review, and shall not be opened except upon an order of the Court.
13. Once all information requested has been received, a Judge shall decide whether to Grant [Form H] or Deny [Form I] the Petition within sixty days, unless Petitioner requests and is granted an extension of time. The decision to grant or deny a Petition may be referred to a Magistrate, and then sent to the Judge for a final Judgment Entry and Order. All notice and objection periods regarding a magistrate's decision would apply as set forth in the civil rules.
14. The Clerk shall provide a written notice to the Petitioner of the Court's Decision and Judgment Entry. If denied, the notice shall include conditions, if any, placed on subsequent filings and language that a final appealable order has been filed. The Clerk shall also notify the DRC of the disposition of the petition as required under the

Administrative Rules, and if granted the Court's Judgment Entry shall order the DRC to issue the CQE to Petitioner.

IN THE MEIGS COUNTY COURT, MEIGS COUNTY, OHIO

2020 DEC -2 PM 2:57

**IN THE MATTER OF THE
COVID-19 PUBLIC HEALTH
EMERGENCY AND COURT
OPERATIONS**

SAMANTHA MUGRAGE
CLERK OF COURTS
MEIGS COUNTY, OHIO

GENERAL ORDER NO 20-LRD-001

The Meigs Common Pleas Court, General Division, Judge Linda R. Warner, in consultation with the Meigs Common Pleas Juvenile Court Judge L. Scott Powell and Meigs County Court Judge Michael L. Barr hereby makes the following Findings of Fact:

1. On March 2, 2020, Ohio Governor, Mike DeWine initially issued Executive Order 2020-01D "Declaring a State of Emergency" in response to the growing COVID-19 public health crisis through May 1, 2020. On/about April 20, 2020, Governor DeWine (via Dr. Amy Acton) issued a "State Safe Ohio" Order through May 29, 2020.
2. On March 11, 2020, the World Health Organization officially declared COVID-19 to be a global "pandemic" requiring "urgent and aggressive action" to control the spread of the virus.
3. On March 18, 2020, the Court issued its first Administrative Orders addressing the COVID-19 public health emergency detailing a continuum of flexible responses designed to protect public health, to maintain essential court functions, to protect the safety and welfare of its staff and customers and to protect the rights of all individuals subject to the authority of the Court.
4. On May 27, 2020, the Courts in Meigs County joined in an Order regarding COVID-19 screening as part of the centralized security screening at the Meigs County Courthouse.
5. The existing public health emergency has not been abated. In fact, drastic spikes in the level of COVID-19 infections dictate the Court's resumption of curtailed or limited operations through January 29, 2021. Thus, the following plan is necessary as COVID-19 is a highly contagious viral ailment for which there is presently no direct treatment, nor any available vaccination.
6. The Court hereby acknowledges the relevant portions of the written guidance of the Supreme Court of Ohio, most reaffirmed via e-mailed dated October 28, 2020. Additionally, the Court acknowledges that on November 15, 2020 the public health Director's Orders for a new limitation of public and private gatherings being no more than 10 people and a 10 p.m. curfew was announced by Ohio Governor Mike DeWine, which took effect November 17, 2020.

Based upon these Findings of Fact, Linda R. Warner, Judge of the Meigs Common Pleas Court General Division **HEREBY ORDERS:**

1. The Court hereby reinstates **curtailed or limited operations** from **Tuesday, December 2, 2020 through the close of business on Friday, January 29, 2021**, and it reserves the right to further extend this Administrative Order should the existing public health emergency so dictate.
2. From Tuesday, December 2, 2020 through close of business on Friday, January 29, 2021, **the Court shall remain open for business**; however, the Court's in-person hours shall be significantly limited.
3. Effective Tuesday, December 2, 2020, only persons necessary to support essential in-person hearings and essential administrative court functions shall be physically present at the Meigs County Common Pleas Court (MCCP). Outside persons interacting with the Court shall continue to do so remotely.
4. Through January 29, 2021, the Court will prioritize hearing cases utilizing videoconferencing technology to the extent possible. Priority shall be given to "Essential cases", which are:
 - a. Civil Protection Orders (CPOs),
 - b. Emergency Domestic Relation Matters
 - c. Bond hearings
5. Due to the increased risk of spreading COVID in large groups and in order to comply with the Governors mandate of having 10 or less persons in any event, **jury trials must be suspended until February 1, 2021. This date will be re-evaluated on a daily basis and is subject to change at any time.**
6. The Court shall have a policy of **not requiring** litigants or attorneys to appear in-person at this time. Persons who are unwilling or unable to attend an in-person hearing due to COVID-19 concerns/complications may request a continuance or request to participate virtually using the Zoom platform. Reasonable, advance continuance requests will be liberally granted. If a hearing is essential and a party needs to appear remotely but is without access to the internet or to the Zoom application, the Court can and will provide facilities within the Courthouse ("zoom room") to participate and still be isolated from other persons..
7. The Court will continue to accept pleadings, forms and other paperwork via email or fax (which is preferred) and emergency filings in-person at the Clerk's Office. Motions for Continuance and/or Motions to Modify an *ex parte* Civil Protection Order (CPO) may also be filed by email directly to the Clerk of Courts. A list of those contact telephone numbers, email addresses and Zoom meeting IDs are as follows:

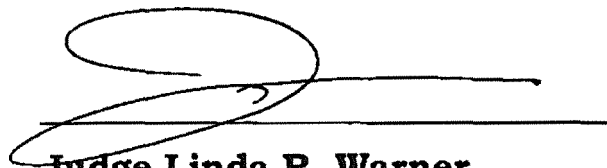

- a. Meigs Clerk of Courts email is legal@meigscountyclerkofcourts.com.
 - b. Meigs Clerk of Courts fax number is 740-992-4429.
 - c. Meigs Common Pleas Court Administrative Office email is meigscommonpleascourt@yahoo.com
 - d. Meigs Common Pleas Court fax number 740-992-3828
 - e. Zoom meeting room ID 901 017 0793, password 532019. Participants shall wait in a waiting room until verified and granted admission to join the zoom conference. The public may join the Zoom meetings but will not be permitted to be heard (i.e. will be muted).
8. The Court continues to encourage litigants and attorneys to waive in-person hearings to facilitate the Court's hearing of uncontested/agreed cases, pre-trial and status conferences, and other domestic and custody matters via videoconferencing technology (or Zoom). Parties may always submit requests for videoconference hearings in writing, by providing a copy of that written request to the Court, through the Clerk of Courts, and to the other parties and any attorneys of record.
9. Specific docket questions should be addressed directly to the staffs of the assigned Magistrates or Judges; telephones and email accounts shall be monitored remotely **Monday through Friday from 8am until 4pm.**
10. Public Access to the M CCP Court lobby, hallways, private offices and wait areas in all court facilities shall remain extremely limited to maintain the safety of the public and court employees; this is done in compliance with local, state, federal and Ohio Supreme Court guidelines. In most instances, in-person interaction with court staff will be facilitated through clear barriers, walk-up windows and video terminals to ensure proper social distancing.
11. The following measures will be taken to reduce the community spread of COVID-19:
 - a. Pursuant to this Court's March 18, 2020 and May 27, 2020 Orders all persons working in/ visiting any court space **must** wear a mask, covering the nose and mouth at all times.
 - b. Persons working in/visiting the courthouse must maintain 6-foot social distancing and observe the 10-person limit in courtrooms. Additionally, Court and COVID-19 screening and security staff will continue to monitor and enforce occupancy restrictions in all court facilities.
 - c. Staff are encouraged to perform a daily symptom assessment, including monitoring for a fever, cough or trouble breathing. Any staff member who exhibits signs of illness must notify his/her supervisor by phone or email and not report for duty. Any staff at the courthouse who exhibits symptoms will be directed to leave the

building immediately and seek medical advice before being permitted to re-enter the building at a later date. Any staff waiting on COVID-19 test results must notify his/her supervisor and shall not report for duty.

- d. To comply with social distancing guidelines, the maximum occupancy for persons in the elevator is two.
 - e. All high traffic areas will be sanitized no less than twice daily. Courtroom tables will be wiped down after each hearing. Spray air sanitizing systems will be used regularly in each courtroom and zoom room.
 - f. All persons entering the courthouse will be required to submit to a COVID-19 screening, including having their temperature taken and answer a series of question.
12. Pursuant to guidance from the Centers for Disease Control, the Meigs County/Ohio Department of Health and the Supreme Court of Ohio, litigants and/or counsel displaying any symptom that *could be construed* as COVID-19 related will be ordered to leave the courthouse; and upon providing a current accurate physical address, phone number and email address, will have their cases continued.
13. In order to preserve proper occupancy standards, scheduled cases will begin and end at the scheduled time; thus, tardy cases will be continued. All pre-hearing consultations and/or negotiations must occur *prior* to arrival in the courthouse and be concluded by the scheduled time; conference rooms shall remain locked.
14. Court programs shall continue to utilize telephonic, videoconference and other electronic services wherever possible.
15. This Administrative Order in Response to the COVID-19 (Coronavirus) Public Health Crisis shall be communicated to the Meigs County Commissioners, other Meigs County Courts and local justice partners. This order, and any amendments thereto, shall be filed with the Meigs County Clerk of Courts and the Supreme Court of Ohio.
16. During the period of curtailed or limited operations, Court Staff shall work onsite only as directed by their supervisors. The Court intends to resume its normal business hours and trial schedule on Monday through Friday, 8am until 4pm effective February 1, 2021. Court staff shall resume onsite work on or before that date, unless authorized to work remotely by their supervisors. On February 1, 2021, the Court intends to resume scheduling in-person hearings. Again, the Court will endeavor to conduct as many of its cases and interactions via available technology as practical, and persons who are unwilling or unable to attend an in-person hearing due to COVID-19 concerns/complications may request a continuance. Reasonable, advance continuance requests will be granted. Alternatively, the Court can provide a courthouse room in which to participate in hearings remotely, if the litigant has no means to do so otherwise.

17. The Court's security policies may be temporarily amended or supplemented to protect public health while maintaining essential court functions.
18. **Jury Trials are hereby suspended until February 1, 2021. This date will be re-evaluated on a daily basis and is subject to change at any time.**
- a. To accommodate trials and the effect of public health recommendations on trials, the period of the continuances implemented by this Order are excluded under O.R.C. 2945.72 and Ohio Constitution I, sec. 10. The Court specifically finds that the ends of justice served by ordering the continuance outweigh the interest of the public and any defendant's right to a speedy trial.
 - b. Further this Court finds that a continuance of a trial which supersedes a defendant's speedy trial right is hereby considered permissible by all judges of the General Division under the Ohio Constitution and O.R.C. 2945.72 (H) as a "reasonable continuance granted other than upon the accused own motion" due to current pandemic levels.
19. Curtailed and/or limited operation provisions and/or policies previously effectuated by the Court shall remain in effect, unless specifically modified herein. Where there is any discrepancy, this order supersedes any previous order. The local rules of court may be temporarily adapted to allow court flexibility, within constitutional limits, in response to the public health emergency.

IT IS SO ORDERED.

Judge Linda R. Warner

2020 MAR 18 PM 3:03

SAMANTHA MUGRAGE
CLERK OF COURTS
MEIGS COUNTY, OHIO

IN THE MATTER OF THE
COVID-19 PUBLIC
HEALTH EMERGENCY

GENERAL ORDER NO. 20-LRO-001

The Judges of Meigs County, Ohio make the following findings:

On March 9, 2020, Ohio Governor Mike DeWine issued Executive Order 2020-01D declaring a state of emergency in response to the Coronavirus or COVID-19 pandemic.

On March 11, 2020, the World Health Organization officially declared COVID-19 to be a global pandemic, requiring urgent and aggressive action to control the spread of the virus.

On March 13, 2020 and March 17, 2020 County Public Office Holders met to discuss our respective County Offices' response to the public health crisis.

On March 18, 2020 the Ohio Attorney General, Dave Yost, issued opinion number 2020-002 that "...courts may suspend jury trials to prevent the spread of the novel coronavirus, and they may do so consistent with state and federal speedy-trial obligations. Although tolling speedy-trial time by suspending jury trial activity is an extraordinary step, it is lawful – and responsible-to do so during a pandemic emergency...."

After consultation with the Meigs County Probate Juvenile Division and the Meigs County Court, all three judges agree that we need to protect the public, protect employees, and protect litigants while still allowing access to justice and administrating justice.

Therefore, the following is hereby **ORDERED** as follows:

1. The Meigs County Common Pleas Court General Division, Domestic Relations Division, Probate Division and Juvenile Division, as well as the Meigs County Court Local Rules may be temporarily modified to allow these Courts the flexibility necessary to respond to this public health emergency.
2. The policies of our Courts may be temporarily adjusted to maintain essential Court operations and to reschedule less essential and non-emergency matters upon the Courts' own motions. This includes protecting the public and our employees by locking the Courts' office doors to the public and handling matters initially by phone, email and fax. Once matters are screened then a determination will be made, on a case-by-case; day-by-day basis of whether the request is a matter that must be handled immediately, making arrangements to conduct the Courts' business so as to minimize human-to-human contact, or if the matter can be handled without direct human-to-human contact or by setting the matter for a later date.

3. Our Courts authorize the use of videoconferencing equipment and alternative technologies for all actions and proceedings during this public health emergency.
4. Our Courts have determined that the COVID-19 public health emergency is a good cause for continuance and such continuances shall be liberally granted during this public health emergency.
5. Petit jurors summoned for jury duty from March 18, 2020 until April 30, 2020 are not required to report for jury service. Unless otherwise notified, Grand Jurors still appear on April 14, 2020, as scheduled.
6. Our Courts hereby permit filing of court documents via ordinary mail, e-mail or fax. Other than new petitions for domestic violence protection orders or for stalking protection orders and emergency custody matters, in-person filings options will be with specific pre-arranged and pre-screened cases.
7. Payment for filing fees shall still be required in order for documents to be filed. Payments can be made electronically (which includes associated fees beyond the control of the Clerk of Courts) by calling the Court's Clerk at 740-992-5290.
8. The Courts shall have authority, within constitutional limits, to do or direct to be done all things necessary to ensure the orderly and efficient administration of justice while also being mindful of and taking steps to assure public safety and health during the duration of the declared state of emergency.
9. All this we do in an attempt to reduce the risk of loss of life during this public health crisis.
