Ohio Mayor's Courts

Chapter 1905 of the Ohio Revised Code permits mayors of municipal corporations populated by more than 200 people that are generally not the site of a municipal court to conduct mayor's court. In addition, municipal corporations with populations less than 201 may conduct mayor's court so long as the municipality is located entirely on an island in Lake Erie.

Mayor's courts, which are not courts of record, hear only cases involving violations of local ordinances and state traffic laws. Those convicted in a mayor's court may appeal their conviction to the municipal or county court having jurisdiction within the municipal corporation. Ohio law does not require mayors who hear cases to be attorneys.

Section 1905.033 of the Ohio Revised Code, effective January 1, 2004, requires mayor's courts to register annually and file caseload statistics quarterly with the Supreme Court of Ohio. With the permission of the Ohio General Assembly, the Supreme Court adopted rules providing court procedures and basic legal education for mayors who hear cases. These rules were adopted by the Supreme Court in 2004 and are published on the Supreme Court's website.

2013 Statistics

In 2013, there were 310 municipal corporations operating mayor's courts that registered and reported activity to the Supreme Court. The populations of those municipal corporations are broken down in the table below. Of the three courts with populations less than 201, one court, Put-in-Bay, is exempt from the 201 person minimum population requirement due to its location entirely on an island in Lake Erie. The other two courts, Linndale and Mifflin, reported activity only in the first quarter of 2013. Effective March 20, 2013, both of those courts were required to have ceased operations in accordance with H.B. 606 of the 129th General Assembly.

- **Cridersville** *(last report received was for the third quarter)*
- **Edison** *(last report received was for the third quarter)*
- **New Lexington** *(last report received was for the second quarter)*
- **Salineville** *(last report received was for the first quarter)*

The following mayor's courts did not submit a full set of quarterly reports because they went inactive and discontinued operations in 2013:

- **Fort Shawnee** *(last report received was for the second quarter)*
- **Lynchburg** *(last report received was for the first quarter)*
- **Peninsula** *(last report received was for the first quarter)*

The following mayor's courts were abolished effective March 20, 2013, in accordance with H.B. 606 of the 129th General Assembly and submitted reports for the first quarter only:

- **Linndale**
- **Mifflin**

<u>Definition of "Clearance Rate"</u>

A court's clearance rate is a measure of its ability to keep up with its incoming caseload. The clearance rate, expressed as a percentage, is calculated by dividing the total number of terminations by the total number of new filings, transfers, and reactivations. The calculation does not include cases pending at the beginning of the year.

<u>Population Data</u>

All population figures contained in this report are based on the 2010 U.S. Census.
